

2020 COLORADO MANUFACTURING AWARDS

About the Colorado Manufacturing Awards

www.coloradomanufacturingawards.com

Now in its 5th year, the 2020 Colorado Manufacturing Awards is America's top regional industrial awards and recognition program — the first to acknowledge manufacturers in a dozen distinct industries.

The CMAs are co-hosted by CompanyWeek, independent media voice of Rocky Mountain Manufacturing, and Manufacturers Edge, the NIST-sponsored Colorado MEP.

New Awards/Components in 2020:

Innovative Products Awards

The Innovative Product Award recognizes leading-edge industrial design and/or engineering in a part or product manufactured locally (highest ranking), regionally, or in the U.S. (required).

Colorado Winery of the Year

For the first time, CMA works with the Colorado Association for Viticulture & Enology – CAVE – to bring the region's dynamic wine industry to the Awards.

Colorado Woman in Manufacturing Award

In conjunction with the Colorado chapter of Women in Manufacturing & Eldon James

Advanced Manufacturing & Machining Award
