

WP FITTINGS

Effective Date: August 23rd, 2021

PP FITTINGS WITH WHITE COLORANT

Product Manufacturer

This product is manufactured by Eldon James Corporation.

Manufacturing Facility Certifications

Eldon James Corporation is certified to the ISO 9001 & ISO 13485 Quality standards.

Chemical Inventories

Please see SDS for chemical inventory listings.

Food Contact Status

US Food and Drug Administration (FDA): According to our information, this material meets the FDA requirements outlined in the Code of Federal Regulations 21 CFR 178.3297.

Food Allergens

No information is available.

US Pharmacopeia (USP)

This product is not registered under US Pharmacopeia.

European Pharmacopoeia (EPHC)

This product is not registered under European Pharmacopeia.

Animal Derived Components (BSE/TSE)

Based on the information available from our raw material supplier; this material does not intentionally contain substances from animal derivatives and do not specifically run any analysis on incoming raw materials or end products to measure for the presence of these substances.

Plant Derived Components

This material does not intentionally contain substances from animal derivatives.

Kosher

This product does not intentionally contain any animal derivatives and is not Kosher certified.

Halal

This product does not intentionally contain any animal derivatives and is not Halal certified.

REACH 219 Substances (July 8, 2021)

This product is not manufactured or formulated with any of the Substances of Very High Concern (SVHC) as per the candidate list that was current as of the effective date of this regulatory datasheet that would require reporting under this regulation. Current information can be found at the ECHA website.

EU Directive 2011/65/EU Restriction of Hazardous Substances (RoHS)

This resin does not contain nor are any substances listed in the RoHS2 Directive 2011/65/EU or RoHS 3 Directive 2015/863 intentionally used: (heavy metals) Lead, Mercury, Cadmium, Hexavalent Chromium, Polybrominated Biphenyls (PBB's), or Polybrominated Diphenyl Ethers

WP FITTINGS

(PBDE's) to their materials. Also does not contain substances listed in RoHS3 Directive 2015/863 (DEHP, BBP, DBP, and DIPB).

Heavy Metals (ELV Directive 2000/53/EC) Coalition of Northeastern Governors (CONEG)

The raw material supplier does not use cadmium, chromium, lead, or mercury in the manufacture or formulation of this product. In addition, this product meets the CONEG limitation of 100 ppm for the total incidental content of cadmium, chromium, lead, and mercury.

European Directive (94/62/EC) Packaging and Packaging Waste EU Directive 2012/19/EU Waste Electrical & Electronic Equipment (WEEE)

EU Directive 202/19/EU on WEEE: Selective treatment of the waste (Annex VII). None of the substances listed in Annex VII are intentionally added or used in the formulation of this product with the following exception. This product is a hydrocarbon; however, liquid hydrocarbons are not present in this product.

This product conforms to the European Commission Directive 94/62/EC (Article 11) and its amendments on packaging and packaging waste. This product is recyclable according to the recycle code 5.

European Regulation (EC) No. 1895/2005 (BADGE, BFDGE, NOGE)

No information is available.

California Proposition 65 (Safe Drinking Water and Toxic Enforcement Act of 1986)

Based on available information this product does not contain any components or chemicals currently known to the State of California to cause cancer, birth defects or reproductive harm at levels which would be subject to Proposition 65.

Conflict Materials (Dodd-Frank Wall Street Reform and Consumer Protection Act)

This product is not intentionally manufactured or formulated with the listed conflict Materials as per Section 1502 of the Dodd-Frank Wall Street Reform and Consumer Protection Act; tin, tantalum, tungsten, or gold.

- Columbite-Tantalite – refined into Tantalum (Ta) (CAS# 7440-25-7)
- Cassiterite – refined into Tin (Sn) (CAS# 7440-31-5)
- Wolframite refined into Tungsten (W) (CAS# 7440-33-7)
- Gold (Au) (CAS# 7440-57-5)

We are disclosing the above information, to the best of our knowledge based upon data from our raw material supplier. We believe this information to be accurate and reliable as of the effective date of this Regulatory Data Sheet.

Ozone Depleting Chemicals (ODCs)

This material does not use ODCs in the manufacture or formulation of this product.

Phthalates

This product is not intentionally manufactured or formulated with phthalate esters; however, we do not analyze for these specific substances or compounds.

WP FITTINGS

Materials from Genetically Modified Organisms

To the best of our knowledge, there are no raw materials, including additives, that have been derived from genetically modified organisms (GMO). This is based on information from our additive suppliers as we believe this product to be GMO free and do not test for it.

Additional Substance Information

This product is not intentionally manufactured or formulated with the following substances or compounds; however, we do not analyze for these substances or compounds.

2-Mercaptobenzothiazole (MBT)
Aflatoxin-like compounds
Aldehydes
Azoxy compounds
Benzyl butyl phthalate (BBP)
Bis(2-ethylhexyl) Adipate (DEHA)
Bis(2-Ethylhexyl) phthalate (DEHP)
Bisphenol compounds, incl. but not limited to: BPA, BPB, BPC, BPE, BPF, BPS, and BPZ
Butylated Hydroxyanisole (BHA)
Butylated Hydroxytoluene (BHT)
Dibutyl phthalate (DBP)
Diisobutyl phthalate (DIBP)
Dioxins and similar compounds
Endocrine Disruptors (proven by the industry)
Epoxy Resin
Formaldehyde
Halogenated (Brominated or chlorinated) or phosphorous based flame retardants
Isocyanate
Melamine
Natural rubber latex, dry natural rubber, or synthetic latex
Nitroso compounds
Nitrosamines
Novolac Glycidyl Ethers (NOGE)
Organic phosphates
Parabens
Perfluorooctane Sulfonate (PFOS)
Phthalates / Phthalate esters
Plasticizers
Polybrominated Biphenyls (PBB's)
Polybrominated Diphenyl Ethers (PBDEs)
Polybrominated Terphenyls (PBTs)
Polychlorinated Biphenyls (PCBs)
Polycyclic aromatic hydrocarbon (PAH)
Polyurethane
Polyvinyl Chloride (PVC)
Polyvinylidene Chloride (PVDC)
Tris-nonylphenol Phosphite (TNPP)

WP FITTINGS

Shelf Life and Expiration Date

Eldon James has tight controls on inventory, so finished products are manufactured and sold quickly. Consequently, raw materials are stored for a relatively short time before use in the manufacturing process. Eldon James cannot commit to a shelf life on products, but we stand by the quality and use of new raw materials. Resin manufacturers usually make no commitment on shelf life. Eldon James does not make any claims regarding Expiration Date because our customers use our products in many different applications and conditions. Eldon James cannot make any assessment or claims regarding expiration. Each individual condition and application must be tested by the customer to determine the limits of each product, material, and use.

Use of this Regulatory Information Data Sheet

The information provided as requested is intended to be used for informational purposes only. The information is provided on a without prejudice basis and should not be viewed as giving technical advice, instruction, or otherwise. The information is furnished free of charge and is based on supplier knowledge and understanding. Eldon James Corporation makes no representation or warranty as to the completeness or accuracy of the information contained herein. It is intended for use by persons having technical skill, at their own discretion and risk, who will make their own determination as to its suitability for their purposes prior to use. As with any material, evaluation of any compound under end-use conditions prior to specification is essential. Ultimately, customers must make their own determination that use of this product is safe, lawful, and technically suitable for their intended applications.
