

FOR IMMEDIATE RELEASE

## 2024 COLORADO MANUFACTURING NETWORK AWARDS

*Marcia Coulson, President of Eldon James – Recognized as the 2024 Manufacturing Champion presented by Manufacturers Edge and Colorado Advanced Manufacturing Association (CAMA).*

### **DENVER COLORADO | October 24, 2024 –**

Marcia Coulson awarded the 2024 Manufacturing Champion Award. This recognition celebrates an individual who has made significant contributions through strategic thinking and implementation of industry-wide plans, advocacy, mentorship, and hands-on leadership in shaping the future of manufacturing.

Marcia Coulson and Eldon James have brought more than three decades of innovation to life sciences manufacturing. Marcia has expanded her company into a global leader in tubing and fluid-handling solutions, with a new 106,000-square-foot facility reflecting her commitment to growth and quality. She also makes family a key part of the business, building a culture of inclusion and teamwork.

### **CHANGING THE WAY YOU CONNECT™**

#### **About Eldon James Corporation**

Eldon James is a woman owned, Colorado based ISO 9001 and ISO 13485 certified, manufacturer with an international presence in the medical, biomedical, pharmaceutical, life science, food, beverage, industrial and automotive industries. A leading U.S. manufacturer of standard and custom fittings, PVC-free tubing, assemblies and SeriesLock® quick disconnect fittings. Experience in processing advanced USP Class VI medical polymers and attention to quality has earned the company 'trusted source' status among bioprocess engineering organizations and medical device designers.
