Marcia Coulson, President of Eldon James Corp., Named to Prestigious ColoradoBiz Colorado 500 Power List

APRIL 21, 2026 | DENVER, CO — Eldon James Corp. is proud to announce that its President, Marcia Coulson, has been officially recognized on the 2026 Colorado 500 Power List in the Manufacturing sector by *ColoradoBiz* magazine.

The Colorado 500 highlights the state's most influential and respected business leaders, innovators, and practitioners who shape Colorado's economic landscape. Selected by the editorial leadership team at *ColoradoBiz*, this list celebrates executives making unique, high-impact contributions to their respective industries.

Under Coulson's 39-year tenure of leadership, Eldon James Corp. has transformed into a thriving global manufacturer. The company has expanded its portfolio to include over 6,000 plastic fitting configurations and 18 diverse types of PVC-free tubing.

"You are only as good as the people you surround yourself with," said **Marcia Coulson**, President of Eldon James Corp. "A company is about the people in the company and the culture you build together."

This acknowledgment underscores the company's continuing momentum in the state. Earlier this spring, Eldon James revolutionized industrial bioprocessing with the launch of its highly anticipated BioKlik™ Single-Use Assemblies. The recognition has also drawn applause from advocacy groups such as Women in Manufacturing Colorado, celebrating Coulson as an exemplary, steady, and inspiring female executive
